## Business and Finance Policies

### Fiscal Management Goals

The School Committee shall seek to provide the highest quality education in an efficient and fiscally responsible manner. The business management functions of the Belmont Public Schools shall be focused on supporting the educational goals of the district.

As trustees of local, state and federal funds allocated for use in public education, the School Committee shall ensure that funds provided to the Belmont Public Schools are used responsibly to achieve the purposes for which they are intended.

## Annual Budget

The Superintendent, pursuant to state law, shall prepare a proposed budget for the coming year to present to the School Committee. The School Committee and the Superintendent shall jointly evaluate the proposed budget taking into consideration the educational needs of students and the goals and priorities established by the district's long term and yearly planning process. After a public hearing on the proposed budget, as required by state law, the School Committee shall adopt the final budget.

The fiscal year for the Belmont Public Schools shall begin on the first day of July and end on the thirtieth day of June as established by state law.

## Budget Implementation

The Superintendent is responsible for implementation and management of the operating budget adopted by the School Committee. The Superintendent shall establish a system of fiscal controls to govern the expenditure of funds including guidelines and procedures that protect the District's fiscal soundness, reflect the District's goals and priorities and meet the requirements of state and federal law. The School Committee shall regularly monitor the fiscal health of the Belmont Public Schools. The Superintendent shall inform the School Committee on the status of the budget at agreed upon intervals during the school year, including a yearly summary of revolving fund accounts.

### Budget Transfer Authority

Once an annual budget is approved by the School Committee, no transfer of funds from one program area to another may be made except with approval of the School Committee.

Reallocation within a program area may be made at the discretion of the Superintendent but only for purposes included in the original budget.

The decision not to expend funds for a budget item may be made by the Superintendent.

The decision to expend budgeted funds on a non budget item may be made only by vote of the School Committee.

### Expense Reimbursements

School personnel, including School Committee members, shall be reimbursed for pre-approved expenses incurred while engaged in official business of the district. The Superintendent will develop procedures and standards to be used in approving and reimbursing such expenses.

### Money in School Buildings

The Superintendent shall establish procedures governing the collection, storage and safekeeping of money in school buildings.

Student Activity Checking Accounts may be established and administered at Belmont High School and the Chenery Middle School in accordance with the provisions of Massachusetts General Laws Chapter 71, section 47. The purpose for which money is collected will be clearly stated and the money shall be expended solely for that purpose.

### Reports and Audits

The Belmont Public Schools shall adhere to state and federal laws and regulations concerning financial reports and audits. The Superintendent shall submit to the school committee quarterly reports of encumbrances, balances and financial condition. The Superintendent shall alert the School Committee to any circumstances that might cause a significant budget deficit. The School Committee, pursuant to state law, may request an audit of the district's accounts at any time at its discretion.

The Belmont Public Schools shall adhere to The Belmont Fraud Policy as adopted by the Town of Belmont, February 24, 2008.
