1. Minutes

Feb. 28, 2022 were approved, 2-0-1; Mar. 14, 2022 minutes were approved 2-0-1

2. Discuss any policy items from Mar. 23 School Committee meeting

Committee members reviewed the timeline for the second reading and potential vote on the Naming Policy update. A second reading is anticipated for April 12, 2022, which is an organizational meeting for the School Committee and will have two updates from rink and library groups on the agenda. Discussion determined that a vote on the draft would not be needed at that meeting but may occur the following. The building committee preserved certain elements and memorabilia from the former memorialized baseball field on the high school site, with expectation that those items be included in the new field site and that the field name would continue to be named in honor of Brendan Grant. Superintendent Phelan will follow up with Chair Lovallo for a more specific timeline on the field items. The naming process would follow after April 26.

3. Other items not anticipated by the Chair

Bowen provided the current 1006 and 1006P and the MASC guidance policy on public comment for reference for the following meeting, as well as the current contact guidelines.

4. Next Meeting

Agenda items for the next meeting will include consideration of the Covid vaccination requirement for participation in extracurricular activities. Related policy on immunization may be considered concurrently. 1006 will be on the agenda as well. The next meeting will be April 11, 12 to 1.

5. Adjourned at 12:16 p.m.
