Important registration information for current BPS families:

- **You do not need to register a grade 1-12 existing Belmont Public Schools student again; however, you do need to register your incoming kindergartner even if you are a current Belmont Public Schools family.** This is important to ensure placement of your incoming kindergartner at the same elementary school as your grade 1-4 child. Please register your incoming kindergartner by the April placement deadline.

For grade K-4 families new to Belmont Public Schools:

- We are pleased to announce BPS offers free tuition for kindergarten.
- Please see the K-4 registration page on the BPS website for the registration paperwork deadlines and the school placement dates (as of 1/29/2021).
- Please also see our Elementary Information Presentations on the BPS registration page (as of 1/29/2021). These presentations give information regarding the registration process, health requirements, food services, and a general look at the kindergarten and elementary school day.

If you have any questions regarding your registration, please contact the school you registered with.
